You're A Star

Lighthouse Family

Well, I try not to think about you
And I know I can get on without you
But it all seems to be so hollow
Maybe you'll come back tomorrowWhen they make you feel like you're no-one
And when they make you feel like you just don't matter
You gotta get back on a good one
You don't need this at allDon't let it get you down
Don't let it break your spirit
Keep your head in the clouds
Like a starAm I out of my head or something?
Am I beatin' myself up all over nothing?
Does it all have to be so much trouble?
Is it all just because of you?When they make you feel like you're no one
And when they make you feel like you just don't matter
You gotta get back on a good one
You don't need this at allDon't let it get you down
Don't let it break your spirit
Keep your head in the clouds
Like a starDon't let it get you down
Don't let it break your spirit
Keep on tellin' yourself
You're a starDon't let it get you down
Don't let it break your spirit
Keep your head in the clouds
Like a starDon't let it get you down
Don't let it break your spirit
Keep on tellin' yourself
You're a starKeep on tellin' yourself
You're a star
Keep on tellin' yourself
You're a star
Keep on tellin' yourself
You're a star
