

# Grey Skies Turn Blue

MxPx

You say you want me to say "I'm sorry"  
But I don't have to and I don't want to say it  
'Cause I'm not sorry

I play the game and I can't really say that I like it  
Can't really say that I hate it  
Can't really say that I paid attention

When gray skies turn blue  
I'll come back for you  
My mind can't change my heart there's nothing I can do

When gray skies turn blue  
When dreams do come true  
Will you be the way that I remember you

You say that life with me is driving you crazy  
But I don't see it and I don't want see  
So I, I must be crazy

I didn't mean a thing when I said "nothing is fleeting"  
Or worth repeating (worth repeating)  
Or worth repeating (worth repeating)

When gray skies turn blue  
I'll come back for you  
My mind can't change my heart there's nothing I can do

When gray skies turn blue  
When dreams do come true  
Will you be the way that I remember you

The cold wind on my face  
Is the only thing I felt  
In such a long time  
In such a long time  
It's been a long time  
Yeah, yeah

Yeah

When gray skies turn blue  
I'll come back for you  
My mind can't change my heart there's nothing I can do

When gray skies turn blue  
When dreams do come true  
Will you be the way that I remember you

Will you be the way that I remember you
