

Something Bigger, Something Better

Amanda Blank

Chorus

My ladies who got their own cash
Know how to swing their hips fast
Back and forth to the beat
Don't sleep girl
Show them how you work that ass
My fellas who keep that s**t on lock
And know how to keep their lady rocked
F**k a two step
We break sweats

Because we're so damn [hot]Something bigger for you buying

That s**t they sell in stores
I rocks like robs quick double time
When i test my shine but i stay fly
Click-click-Click i see you creepin'
Just so you know oh i ain't sleepin'
Fake witches liftin' bitches
Rob my style i see you shiftin'
