Hunter

30 Seconds to Mars

If travel is searching And home what's been found I'm not stoppingI'm goin' hunting I'm the hunter I'll bring back the goods But I don't know when I thought, I could organize freedom How American of me This is who I am You figured it out, didn't you?You could smell it So you left me on my own To complete the mission Now I'm leaving it all behindI'm going hunting I'm the hunter I'm the hunter I'm the hunterYou just didn't know me You just didn't know me
