The Man Don't Give A Fuck

Super Furry Animals

(Super Furry Animals)
Spent some times in stormy weather
Under clouds of my dilemma
Now there's nothing much to do
Except for sitting in front of televisions
Staring back at me
I'm just waiting for the microwaves
To wash me into the sea
Chorus:-
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
Out of focus ideology
Keep the masses from majority
Experts blame my stupid plan
Left to bleed while vultures glide
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
You know they don't give a fuck about anybody else
