

Glass Ceiling

[Nick Curly](#)

Only know what I'm told, only know what I'm told

Fast asleep daydreaming

Start to push, break your own glass ceiling

Can't count, catch the pieces falling

Who let it end up on the ground?

How am I gonna know you're letting me down?

How did I end up on the ground?

Only do what I'm told, only do what I'm told

Last to leave, cold calling

You're gonna lose your arms, amputate plasticine

There's no knight in silver armor shining

Who let it end up on the ground?

How am I gonna know I'm letting you down?

Who let it end up on the ground?

How did he end up on the ground?

Face down on the ground

Only go where I'm told, only know what I'm told

Inch to inches crowding

We can't leave, it's the last road open

Every speed on our knees is crawling
