

Hypnotized

JMSN

(Intro - JMSN)

Thank you

Oh no, no, no, no (Verse 1 - JMSN & Arima Ederra)

In the beginning it's new and exciting

Brand new, so brand new

And you can feel it like thunder and lightning

Thunder and lightening

See, it's all about the moments and timing

Moments and timing

It's living at the same time it's dying

Yeah, yeah (Chorus - Arima Ederra & JMSN)

I can make believe it's fate

I can make believe yeah

But let's just call a spade a spade

Let's just call a spade a spade

I'm just hypnotized

No, I'll never be satisfied (Verse 2 - JMSN & Arima Ederra)

Maybe I don't really know what I want yet

Who does, who does? Who does?

But I'm hoping I know when I find it

That's what's up, that's what's up, that's what's up

Cause the days get to twisting and winding

Things get to twisting and winding

And we ride till the gears get to grinding (Chorus - Arima Ederra & JMSN)

I can make believe it's fate

I can make believe yeah

But let's just call a spade a spade

Let's just call a spade a spade

I'm just hypnotized

I'm just hypnotized (Outro - JMSN with harmonization)

I'm just hypnotized

I'm just hypnotized

I'm just hypno-hypnotized

Baby, hypnotized, hypnotized

Oh, I'm hypnotized

I'll never be satisfied

Baby, oh, I, I'm just hypnotized

Oh-ah-ah-ah

Ah-ah-ah-ah-ah

I'm just hypnotized
Hypnotized
Baby, know that I'm hypnotized
No that I ain't gon lie
I'm just, I'm just hypnotized
Hypnotized, hypnotized
Just hypnotized
I, I, I, I'm just hypnotized
Hypnotized, woah-woah
I, I, I'm just hypnotized
Hypnotized, yeah
