Broken Vs. The Way We Were Born

Emarosa

Where to now?
Drifting his body.
Cutting you down,
And I can't pretend.
His eyes don't burn, no,
In your skin.
Now all I see is the filth,
In the hands of another man.
His face in my thoughts,
My words become lost,
And no longer make sense.
Am I lost forever?
The damage has been done,
For so long.
How did you ever see me broken?
Well, you forced me to find out everyday.
Did you ever see me open?
Well, you forced me to find out everyday.
Nobody could,
Couldn't help this, no
The depths that I was brought up
The depths that I was brought up
Brought up
Oh, is it any wonder?
Shallow is the way that I was born,

Shallow is the way that I was born.
The way that I was brought up, up,
Tonight.
Am I lost forever?
The damage has been done,
For so long.
How did you ever see me broken?
Well, you forced me to find out everyday.
Did you ever see me open?
Well, you forced me to find out everyday.
Oh, pretty girl,
Keep batting your eyes.
Cause when you breathe,

You lie, lie.
Oh, pretty girl,
You better think twice,
Cause second chances are rarer than I.
Oh girl, love can't hide..
How can we forget.. Who we have become?
I'll give it all up.
Please wake up.
Every breathe you take, is a lie.
How did you ever see me broken?
Well, you forced me to find out everyday.
Did you ever see me open?
Well, you forced me to find out everyday.
