

# From This Moment

chico rey

From this moment life has begun  
From this moment you are the one  
Right beside you is where I belong  
From this moment onFrom this moment, I have been blessed  
    I live only, for your happiness  
    And for your love, I give my last breath  
From this moment onI give my hand to you with all my heart  
    I can't wait to live my life with you I can't wait to start  
        You and I will never be apart  
My dreams came true because of youFrom this moment, as long as I live  
    I will love you, I promise you this  
    There is nothing, I wouldn't give  
From this moment onYou're the reason I believe in love  
    And you're the answer to my prayers from up above  
        All we need is just the two of us  
My dreams came true because of youFrom this moment, as long as I live  
    I will love you, I promise you this  
    There is nothing, I wouldn't give  
    From this moment, I will love you  
    As long as I live from this moment on
