

You

Marcia Hines

Good evening Adelaide, how ya feelin'? - Alright!
On behalf of the band and myself, we'd like to say welcome.
As you know we've got a brand new album out.
This is my brand new single off the album, 'Ladies and Gentlemen - Marcia Hines'
And it's called - 'YOU'

Oh I, I can't remember when I felt this high
Must be somethin' special about
The way you're lovin' me tonight

You know that-a I
I can't remember when I felt this right
Lovin' you the way I do
Has made me feel like a shipping store
Shining brighter, shining more
And I wonder how I ever got along

Without you
There's somethin' very special about you
You're all I ever think about, it's true-ue-ue-ue (true)
It's you, talk about you...ou

Why, sittin' back and watchin' my life go by-why-why-why, yeah
'Til you came along and you picked me you-up
Yes you did, oh yeah, yes you did

Oh and, now, starting out a brand new-ew life
In any thing I say and do, it's all about you now
Givin' me a new world
And I wonder how I ever got along

Without you, there's somethin' very special about you
You're all I ever think about, it's true-ue-ue-ue, baby it's you
Talk about you...ou

Oh yeah-eah
Talkin' 'bout you baby, it's only you
Only you, somethin' very special about you
You're all I ever think about it's true-ue-ue-ue baby, it's you

Talk about you... oh-ooh-oh-oh, oh you, yes you

Without you, there's somethin' very special about you
You're all I ever think about, it's true-ue-ue-ue, baby it's you

Talk about you... oh-oh, 'bout you

Something very special about you

You're all I ever think ab
