Trash

[Death Grips](#)

We know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trash
We know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trashI'm cloaked trash
Poker fucking polygraphs
My dirt so baked, man menstruate
After each take test, say I passed
That's trash, I'm trash
Kind you mine to trade for cash
You're trash, born trash
Eye you close, all I see's more trash, mi amorWe know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trash
We know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trashStoked ain't shit
I was over that for this whole shit
Taste of my blood bliss
Fuck who I wasn't
Commodify my lack of progress
Specifically the process
But this lukewarm elixir
My blood's real shit, sirWe know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trash
We know trash, we know clean don't last
Never last when we load trash
We upload trash
Face down, trash begets trash
Be it motel six to vogue vino trash
Local comcast to shit vevo ads
From upper mid to been repossessed

Face down, trash begets trash

We know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trashThis side of my machete

Fall out mercury confetti

Ebony skies, I died already

Liquor store counting pennies

I'm in motion, do you savvy?

I exhume 'cause it relax me

Watch you think 'bout that? Don't fight it

Smell me though, fucker quiet

Cyclone in a gortex shell

Audio input for my spell

Show up for what? This cig's too plush

Long as my smokescreen's holding up

I hold this down like high contrast

Stills taken from shade on flash

I'm so shade tree it makes me laugh

Every time you reply that's fineWe know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trash

We know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trashLawn glad stretch 'til it sag like breast

Off fat fucks stressed 'cause they can't compress

Extra bump this shit is sex, decrepit sex

Shit, I got something for this orchidsWe know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trash

We know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trash

We know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trash

We know trash, we know clean don't last

Never last when we load trash

We upload trash

Face down, trash begets trash
