Tears Of Joy

Verse Simmonds

Chills going up your spine
Sweat coming down your back
Love it when you?re biting your lips
Tell me are you loving this shit
Hold on baby, hold on tight
I just wanna make you feel alright
See getting all emotional
But that?s what it?s supposed to do
Know you feel so good na na na na na
Baby once the rains starts falling down
Drip drip away, baby let it come down
Drip drip away, baby let it come down
Wet tears of joy, tears of joy
Tears of joy, tears of joy
Running down your face
Running down your face
We keep losing track of all time
Riding to the top of cloud 9

Kissing every inch of your skin
Knock-knock baby let me in
I know the neighbors won?t sleep tonight
And your body?s telling me what I like, to hear
See getting all emotional
But that?s what it?s supposed to do
Know you feel so good na na na na na
Baby once the rains starts falling down
Drip drip away, baby let it come down
Drip drip away, baby let it come down
Wet tears of joy, tears of joy
Tears of joy, tears of joy
Running down your face
Running down your face
Know you feel so good na na na na na
Baby once the rains starts falling down
Drip drip away, baby let it come down
Drip drip away, drip away, baby let it come down, down, down.
