

Sleeping In My Car (Live from Santiago 2012)

Roxette

I'll tell you what I've done
I'll tell you what I'll do
Been driving all nite
Just to get close to you?
Babe Babe - I'm moving so fast
You'd better come on. The moon is alright
The freeway's heading south
My heart is going Boom!
There's strange taste in my mouth
Baby Babe - I'm moving real fast
So try to hold on
Try to hold on! Sleeping in my car - I will undress you
Sleeping in my car - I will caress you Staying in the back seat of my car making up.
So come out tonight
I'll take you for a ride
This steamy ol' wagon
The radio is getting wild
Babe Babe - we're moving so fast
I try to hang on
Try to hang on! Sleeping in my car - I will undress you
Sleeping in my car - I will caress you Staying in the back seat of my car making love, oh yea!
Sleeping in my car - I will possess you
Sleeping in my car - certainly bless you
Lying in the back seat of my car making up. The night is so pretty and so young
The night is so pretty and so young
So very young Sleeping in my car - I will undress you
Sleeping in my car - I will caress you Staying in the back seat of my car making love
Till you do
Sleeping in my car
I will possess you
Sleeping in my car
Certainly bless you
Lying in the back seat of my car
Making up
Making love I will undress you
I will undress you, yeah
Sleeping in my car
Sleeping in my car - I will undress you
Sleeping in my car

The night is so pretty and so young, yeah
