I Don't Need

Bobby Valentino

She got conversation, never hesitating, when it comes down to us
Cause when I first met her, Never had to sweat her, niggas start to chasing skirts
Shes the kind of girl that you never want to let go, and I wanna make this work
Damn I really feel her, if someone woulda steal her, man it would really hurtIf you find your way, I can find my way, we can do this thing
Our love last forever, you're a treasure girl and I'm glad I found you YeahChorus:
I don't need a girl in the video
I don't need a model from the TV-show
All I need is you girl, and that's for sure
You're my type, you ain't nothing like them other girls
I don't need a girl from the movie-screen
I don't need a model from the magazine
All I need is you keep doing your things
Youre my type, you ain't nothing like them other girlsJust ones in your lifetime, something that you wont find, when you out in these streets
We need our own outgo, meet me at the airport, last place you would think
Shes that kinda woman, you such of give it up for, no hanging out all night
I hope you gonna do right, baby imma do right, you gonna make me change my lifeIf you find your way, I can find my way, we can do this thing
Our love last forever, you're a treasure girl and I'm glad I found you YeahChorus: (4x)
I don't need a girl in the video
I don't need a model from the TV-show
All I need is you girl, and thats for sure
You're my type, you ain't nothing like them other girls
I don't need a girl from the movie-screen
I don't need a model from the magazine
All I need is you keep doing your things
You're my type, you ain't nothing like them other girls
