

# Give It Up

Joey McIntyre

Give it up, girl, uh yeah  
Give it up, girl, uh  
Give it up, girl, uh yeah  
Give it up, girl Give it up, girl, uh yeah  
Give it up, girl  
Give it up, girl, uh yeah  
Give it up, girl Give it up, girl, uh yeah  
Give it up, girl  
Give it up, girl, uh yeah  
Give it up, girl Give it up  
Give it up  
Give it up  
Give it up Let down your guard  
Give it to me, baby  
It's not that hard to do  
It's so easy You are a star  
You better believe, baby  
Better off by far if you do You just got to feel the way you want to feel  
You know you gotta keep it real  
That's the way it's gotta be you wanna roll with me  
We can go on and on and on, so Give it up  
And let me love you, come on now  
Give it up  
I'll give it all to you, so Give it up  
And let me love you  
Give it up  
Yeah, baby, give it up Ready or not  
I'm gonna get you, baby  
Girl, I'm so hot for you I won't stop  
Until I get what I want  
And I wanna rock with you If you put your heart and soul inside of me  
And let yourself lose control  
You are gonna start to see a side of me  
You never thought possible, so baby Give it up  
And let me love you, come on now  
Give it up  
I'll give it all to you, so Give it up  
And let me love you  
Give it up

Yeah, baby, give it up now Give it up, girl, uh yeah  
Give it up, girl  
Give it up, girl, uh yeah  
Give it up, girl Give it up, girl, uh yeah  
Give it up, girl  
Give it up, girl If you put your heart and soul inside of me  
And let yourself lose control, yeah baby  
You are gonna start to see a side of me  
You never thought possible, so baby Give it up  
And let me love you, come on now  
Give it up  
I'll give it all to you, so Give it up  
I know it's right, so  
Give it up The feeling's right  
And the girls are tight on the set tonight  
The feeling's right  
And the girls are tight on the set tonight The feeling's right  
And the girls are tight on the set tonight  
The feeling's right  
And the girls are tight on the set tonight Give it up, give it up  
Give it up, give it up  
Give it up, give it up  
...
