

# The World Is Not Enough - U.N.K.L.E. Remix

## Garbage

I know how to hurt  
I know how to kill  
I know what to show  
And what to conceal  
I know when to talk  
And I know when to touch  
No one ever died from wanting too much  
The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love  
People like us  
Know how to survive  
There's no point in living  
If you can't feel the life  
We know when to kiss  
And we know when to kill  
If we can't have it all  
Then nobody will  
The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love  
I, I feel sick  
I, I feel scared  
I, I feel ready  
And heaven prepare  
The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love  
The world is not enough  
The world is not enough
