Worry 'bout Me

Asia Cruise

(You and I) Both know that we are not happy
So something needs to happen
(Same old same) Every day of the week
(Why, oh why) Do you keep lying to me?
I'm not buying a thing (That you say)
So just leave it alone
(And, baby, when I call) You act like you don't wanna talk to me
Acting like you're asleep
(If that's how it is) I'll just leave you alone
(But first you gotta)
Get gone, this ain't your home
See, you ain't gotta worry 'bout me
I'm okay, but you can't stay so
You ain't gotta worry 'bout me
Get gone, this ain't your hime
See, you ain't gotta worry 'bout me
I'm okay, but you can't stay so
You ain't gotta worry 'bout me
You-you-you-you-you-you-you-you
You ain't gotta worry 'bout me
You-you-you-you-you-you-you-you
You ain't gotta eorry 'bout me
(If you leave) Baby, I can do what I wanna do
And I ain't gotta worry about you
(Please don't talk) Baby, this ain't the time
(Why, oh, why) Are you trying to cover it up?

I'm so done with your stuff
(I deserve) Much more better than you
(But, baby, when you call) I act like I don't wanna talk to you
How does it feel boo-boo?
(I guess that's how it is) So I'll leave you alone
But first you gotta
Get gone, this ain't your home
See, you ain't gotta worry 'bout me
I'm okay, but you can't stay so
You ain't gotta worry 'bout me
Get gone, this ain't your home
See, you ain't gotta worry 'bout me

I'm okay, but you can't stay so
You ain't gotta worry 'bout me
But first you gotta get gone, this ain't your home
See, you ain't gotta worry 'bout me
I'm okay, but you can't stay so
You ain't gotta worry 'bout me
Get gone, this ain't your home
See, you ain't gotta worry 'bout me
I'm okay, but you can't stay so
You ain't gotta worry 'bout me
You-you-you-you-you-you-you-you
You ain't gotta worry 'bout me
You-you-you-you-you-you-you-you
You ain't gotta eorry 'bout me
