

# Laudanum

**Olaf Deriglasoff**

It's getting harder to believe  
I've gotta go but I don't want to leave  
You've got your mortality on your sleeve  
And if I'm something you've outgrown  
You think that maybe I'd have know God, I wish I'd just known  
I want you to be like me  
It would be so easy if you'd just agree I've chunked it all out in the past  
'Cause you're the one I want at last  
You are the one for me  
I want you to be
