Tempest

S O H N

Oh love, Let me
Do right, Do wrongI'm close, Oh love
You did, Me harm(Chorus x2)
Oh love
I got lost in love and lost in love away
Except for meI love her, Like no other
Just let me, Let me discover(Chorus x2)
Oh love
I got lost in love and lost in love away
Except for meI got to say I'm sorry
Wash my sins awayWash my sins away
