

Tempest

SOHN

Oh love, Let me
Do right, Do wrong I'm close, Oh love
You did, Me harm (Chorus x2)
Oh love
I got lost in love and lost in love away
Except for me I love her, Like no other
Just let me, Let me discover (Chorus x2)
Oh love
I got lost in love and lost in love away
Except for me I got to say I'm sorry
Wash my sins away Wash my sins away
