

# Cruel

Jeff Buckley

Oh yeah  
Born no longer just a baby  
Always trying to keep in one place for long, oh, long enough to sleep  
Oh sleep and dreams are here the same  
[Incomprehensible] don't got no rest, they'll no longer speak to you  
Moving on again  
I'm moving, moving on again  
Well, I'm moving, moving on again  
Baby, you're so cruel  
You're cruel to yourself, so you never understand  
Boy, I never do ya no harm  
For you to build the frame of the bed you sleep upon  
So spill your milk and honey, get your kicks off your next man  
Bigger than you think and make him go, go, go on  
Make him moving, moving on again  
Oh he's moving, moving on again  
Baby, you're so cruel  
They thought about the dream is so real now  
These are dreams of mine  
You're so aimless, so aimless  
You baby, you're so cruel  
You're so cruel  
Wonder what your gonna think of yourself  
When the phone calls fade away as you hold his shoulders  
Did you think it would come to this day?  
Ask yourself why he's off when others surround you  
He was one of many on the day, he found you  
You're moving, moving on again  
Yeah, you're moving, moving on again  
Yeah, you're moving, moving, moving on again  
Baby, you're so cruel
