Live A Lie

Default

I can't seem to find out what I feel
Burned out dreams of others which I can steal
Take or leave this way, I seem to you, it eats right through you
Ripped up parts of things I should do
I'll run around and tell you, screamingOh I live a lie, oh I live a lie, oh why even try
I've been leaving thoughts below
Still I feel I should knowStill don't see much of me giving in
Much too strong to live outside of these sins
Feeling like I'm taken lightly, think you see right through me
Words of those that still despise me
Think it's eating me, you're dreamingOh I live a lie, oh I live a lie, oh why even try
I've been leaving thoughts below
Still I feel I should knowWhen I seem to believe all that I've done wrong
You can take all that's right, I will still move on
Taken all I can give, it seems that I don't belong
Push me further from this, go onOh I live a lie, oh I live a lie, oh why even try
I've been leaving thoughts below
Still I feel I should know
