

If I Were You

[k.d. lang](#)

If I could only be the queen of popularity
Things would just come to me
So easily
What I would do?
What I could do? If I could always be
Miss Congeniality
No one could stand to be
Away from me
What I would do?
What I could do? I could do anything
If I were you
I would have everything
If I were you What I would do?
What I could do? I could do anything
If I were you
I would have everything
If I were you I could do anything
If I were you
I would have everything
If I were you If I were you
If I were you
If I were you
If I were you
If I were you
If I were you
