

Love Lust (New Master)

King Charles

Never let a woman go even when you know she can always be replaced.

She can always be replaced.

Oh, lust only grows like anger and revenge oh beauty comes and goes but love stays until the end. I wrote you a
song Mississippi Isabel

I even sent you flowers when you fell ill

You've the strength of the Greeks

You are God's masterpiece

You're every triumph, every victory

I believe in every breath you breathe. And I always imagined you'd be by my side

Whether I'm hiding in the city or tearing through the wild

You're only a yoke and noose on my throat

If your beauty is a fortress then my love will be the moat.

Oh, fall in love with you, fall in love with you, I must. I'll consume every part of you to indulge my love
lust. Never let a woman go even when you know she can always be replaced.

She can always be replaced.

Oh, lust only grows like anger and revenge oh beauty comes and goes but love stays until the end. Never let a
woman go even when you know With a guitar in my hand or a gun in my hand, I'd give it all up for your hand in
my hand.

For the sun on my skin as the morning begins, I'd die in the darkness to feel your skin on my skin. Young soul
Young love

Young blood Treasure every beating heart that sets your soul on fire.

Love will set your soul on fire.
