

# A Girl Named Mary and a Boy Named Bill

[Dean Martin](#)

The world looks rosy up on sweetheart hill  
For a girl named Mary and a boy named Bill  
Com'on get cozy says the whooper will  
To a girl named Mary and a boy named Bill  
Where there's a sky that's full of moonlight  
And a Mary full of charm  
There ought to be a William  
Snuggled in her arms  
So if I kiss you and I think I will  
Believe me it's the only thing to do  
For you're my Mary and I'm your Bill  
And it's wonderful to be in love with you
