

# I Think I Left My Heart with You

## Little River Band

I hope it's not too late to call  
I couldn't wait a moment more  
I don't know what else to do  
I need to ask a favor Check behind each of your doors  
Search throughout your rooms and halls  
Secret corners, look there too  
I think I left my heart with you Don't forget to remember  
'Cos you're always on my mind  
I don't care if I've lost my heart this time If you find it keep it safe  
Wrapped within your warm embrace  
I could be wrong, that's nothing new  
But I think I left my heart with you Don't forget to remember  
'Cos you're always on my mind  
I don't care if I've lost my heart this time  
I'm not beggin' but ... Maybe you could be so kind  
To make a home for this heart of mine  
Maybe I could live there too  
I think I left my heart with you Think I left my heart  
I think I left my heart with you
