

# Soul Searchin' (I Wanna Know If It's Mine)

[Meshell Ndegeocello](#)

Don't nobody hold me  
Don't nobody kiss me Come caress my southern/settin' heart  
My sunrise and my darkest dreams  
All my hostility's tamed  
When you kiss me Come into my darkened room  
Where I'm waitin' I'm waitin' here just to please you  
All I want is you - All I want is you  
Your love on me  
All I want is you - All I want is you  
All I want is you to love on me Don't nobody hold me  
Don't nobody kiss me Not a day goes by that I don't burn for you  
Find myself yearnin' for the heaven that you bring me from your black hands  
Touch me, wanna feel you inside of me All I want is you to love on me Don't nobody hold me  
Don't nobody kiss me The way you do So you finally came  
I've been waitin' here for hours  
Kiss me - Just waitin'  
Come inside me - I have something for you  
Kiss me - Come inside me Just a little while longer So you wanna know if it's yours  
I should have to say you should feel that  
Come here Kiss me
