

# Ooh Child

Teresa Carpio

Ooh, brighterOoh child, things are gonna get easier  
Ooh child, things will be brighter  
Ooh child, things are gonna get easier  
Ooh child, things will be brighterSome day  
We'll put it together and we'll get it all done  
Some day  
When your head is much lighterSome day  
Walk in the rays of a beautiful sun  
Some day  
When the world is much brighterOoh child, things are gonna be easier  
Ooh child, things will be brighter and brighter  
Ooh child, things are gonna be easier  
Ooh child, things will be brighterSome day  
We'll put it together and we'll get it all done  
Some day  
When your head is much lighterSome day  
We'll walk in the rays of a beautiful sun  
Some day  
When the world is much brighterSome day  
We'll put it together and we'll get it all done  
Some day  
When your head is much, much lighterSome day  
We'll walk in the rays of a beautiful sun  
Some day  
When the world is much brighterOh, oh, some day  
We'll walk in the rays of a beautiful sun  
Some day  
When your head is much lighterSome day  
We'll put it together and we'll get it all done  
Some day  
When your head is much lighterOoh child, ooh child  
Ooh child, things are gonna be brighter  
Oh, right now, lets get it together  
Get it together and we'll get it all doneRight now, right now  
One day we'll get together if we wanna get together  
Ooh child, ooh child, ooh child  
Get it together and we'll get it all done  
Right now, right now  
One day we'll get together if we wanna get togetherOoh child, ooh child

Right now, right now  
One day we'll get together if we wanna get together  
Right now, right now  
Right now, lets get it together
