Grace (Live In San Francisco)

Supergrass

Well we jumped all night
On your trampoline
When you kissed the sky
Made your sister screamYou ate our chips
And you drank our Coke
Then you showed me Mars
Through your telescopeOh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money, save your money girlWell you sang your songs
And you made us laugh
So we captured you
In a photographAnd when the stars came out
Your Momma called your name
When the morning comes
We'll get together againOh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money for the children
Oh Grace
Save your money, save your money girlSave your money
Save your money for the
Save your money for the children
Save your money for the children(One more time)Oh Grace
Save your money for the children

Oh Grace
Save your money, save your money girl
