

# The Chase

## Sleeping With Sirens

Younger me would give everything to be right where we are  
A future right in front of us ahead up in the stars  
Might've had some moments where it all seemed crazy  
Caught up in the life but it never changed me  
No, I won't throw it away I ain't in it for the chase  
Not living for the thrill of the moment  
Knowing that my head's still strong  
And my heart's too stubborn to quit  
I ain't in it for the chase  
Not living for any other reason  
Knowing that I'd never walk away  
I ain't in it for the chase  
Life can be a rollercoaster riding highs and lows  
They can try to tell me I won't make it but what the hell do they know?  
I do it 'cause I love it, I was born for this  
I know this is the reason why (?)  
So no, I won't let go I ain't in it for the chase  
Not living for the thrill of the moment  
Knowing that my head's still strong  
And my heart's too stubborn to quit  
I ain't in it for the chase  
Not living for any other reason  
Knowing that I'd never walk away  
I ain't in it for the chase The hardest part of growing up  
You can't give up what you believe  
Keep (?), follow your heart  
Be anything you wanna be  
I ain't in it for the chase  
I ain't in it for the thrill of the moment  
Knowing that my head's still strong  
And my heart's too stubborn to quit  
I ain't in it for the chase  
Not living for any other reason  
Knowing that I'd never walk away  
I ain't in it for the chase
