

Wagon Wheels (1985 Remastered Version)

Paul Robeson

Trains rushin', here and there
Flying machines flashin' through the air
Automobiles all shiny and new
Poor folks with nothing else to do But when I wanna travel
To the soil I plead
I climb on my wagon
And see Wagon wheels, wagon wheels
Keep on a turnin' wagon wheels
Roll along, sing your song
Carry me over the hill Go on mule, there's a steamer at the landin'
Waiting for this cotton to load
Go on mule, the boss is understandin'
There's a pasture at the end of each road
