Modern Day Judas

Jesse Royal

Now in comes the musical thing
From the King's offspring...
sick...
Some people you right, and dem still choose to show you hate.
Run dem out a yo yard, from dem a play bad card.

Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
Oh Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours

So why should I be afraid of you
When you bleed just like I do.
The more you try fight Jah Jah light keep shining through
So I got no time for you.
Cause inna my views you wanna step inna mi shoes
You wish you neva leave de loo and feel so dam confused.
Oh everyday you wake you ache because you kno you fake
And every step you tek a bring you closer to your grave.
But i a like a column i no easily shake
Mi certain seh opinion none a you no cant take.
We guided by the Master defender of the fate, Ordain to be great.

Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
Oh Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours

But yo teeth and tongue gonna let you down,
Reward for you word shall be profound.
Oh screw all you want but go loo and drown
Mi slew you like Goliath wid a stone from mi crown.

Not even the dog that pisseth on the wall of Babylon
Shall escape in these time.
So words to the wise, choose the right side
And don't you be hindered by yo foolish pride.
I say no weapon formed against I-n-I shall prospa (prospa).
So tell mi sa force rape and muga dawg dis respect and face disaster.

Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
Oh Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours

But I man denied concoction a brew
yo cyant gimme spliff weh mi neva see yo slew.
Yo cyant gimme stew not even cashew
Some a seh mi parro some a seh dat im abuse
But I cyah forget weh Adolph do the Jews
And what his friends did to the Tuff Gong too
All in the name of suppressing the truth
But I absolute me dem cyant pollute

Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
Oh Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours

Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
Oh Dem a back biter
Hypocritical two side lass
We call dem modern day Judas
Spreaders of rumours
