## Wax

Oh Victoria, oh Victoria  
Oh Victoria, oh Victoria

Two chairs in an empty room  
Two people stand out of tune  
We're strangers now who missed somehow  
Along the way

Both wondering how to start  
Talk's cheap when you're worlds apart  
Intentions good misunderstood  
Too much wasted time

I don't wanna say that you've been good to me  
I don't wanna say that you've been bad to me  
I really only wanted to be good for me  
And good for you

Two victims of circumstance  
The price you pay for a second chance  
Let defences fall, break down this wall  
Won't you talk to me

Oh Victoria, don't let this go too far  
Oh Victoria, don't want to fight this war  
Oh Victoria, don't let this go too far  
Oh Victoria

Woah, I don't wanna say that you've been good to me  
I don't wanna say that you've been bad to me  
I really only wanted to be good for me  
And good for you

Two chairs in an empty room  
Two people stand out of tune  
We're strangers now who missed somehow  
Along the way

Let defences fall, break down this wall

Oh Victoria, don't let this go too far  
Oh Victoria, don't want to fight this war  
Oh Victoria, don't let this go too far  
Oh Victoria, don't want to fight this war  
Oh Victoria, no, no, no, no  
Oh Victoria, oh Victoria  
Oh, oh, oh, oh Victoria, oh Victoria
