

Shattered

Sevyn Streeter

I'm feeling like we're nowhere near home
Don't know where we went wrong
Why it gotta come to this for?
Can't get caught up throwing stones at a glass house
If you look in the mirror
And I look in the mirror
Ain't nobody perfect
Ain't nobody perfect
'Cause you keep pointing fingers
And I keep pointing fingers
It's like we're throwing stones at a glass house
And it shatters
What you giving me that look for?
Baby, this ain't nothing but a conversation
This love ain't [?] locked down
Got me feeling like I'm on probation
I keep holding on
I need you to chase me like you chase paper, baby
Roll with me like you rolling papers
I'm open if you open
Open if you open
I'm down, down
If you look in the mirror
And I look in the mirror
Ain't nobody perfect
Ain't nobody perfect
'Cause you keep pointing fingers
And I keep pointing fingers
It's like we're throwing stones at a glass house
And it shatters
Watch, it shatters
It keeps shattering
Nothing matters
If it's no trust between these hard walls
And it's all built up on lies and falls
Then it shatters
Know me, squeeze me and hold me
Then it shatters
Know me, squeeze me and hold me
Then it shatters
Know me, squeeze me and hold me
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

Oh, oh, ohIf you look in the mirror
And I look in the mirror
Ain't nobody perfect
Ain't nobody perfect
'Cause you keep pointing fingers
And I keep pointing fingers
It's like we're throwing stones at a glass house
And it shattersWatch, it shatters
It keeps shattering
Nothing matters
If it's no trust between these hard walls
And it's all built up on lies and falls
Then it shattersKnow me, squeeze me and hold me
Then it shatters
Know me, squeeze me and hold me
Then it shatters
Know me, squeeze me and hold me
Then it shatters
Know me, squeeze me and hold me
