

Obviously Five Believers

Bob Dylan

Early in the mornin', early in the mornin'
I'm callin' you to, I'm callin' you to
Please come home Yes, I could make it without you
If I just didn't feel so all alone Don't let me down, don't let me down
I won't let you down, I won't let you down
No I won't You know I can have no honey
But oh honey, please don't I got my black dog barkin', black dog barkin'
Yes he is now, yes it is
Outside my yard Yes, I could tell you what he means
If I just didn't have to try so hard Your mamas workin', your mamas moanin'
She's cryin' you know, she's tryin' you know
You better go now Well, I'd tell you what she wants
If I, but I just don't know how Fifteen jugglers, fifteen jugglers
Five believers, five believers
All dressed like men Tell your mama not to worry because
They're just my friends Early in the mornin', early in the mornin'
I'm callin' you to, I'm callin' you to
Please come home Yes, I could make it without you honey
If I just did not feel so all alone
