Desire Oscillations

Girls Names

Constantly in motion
No time taken to confront
Futile acquisitions, the waywards embitterments
Loosing all means of desireDisconnect the pulverizing repitition of
All my faults and failings, the obsessions recurrent
Visions of excess consume me but I never lost
My need to oscillate with desire
To be free to oscillateWe accept what was wrong
A disease corrupting far too long
Craving passions our constant thirst for love
To be free to oscillate with desire
Set me free to oscillate
Set me free to oscillate with desire
