

# Nothin' Else

## Justin Timberlake

I was just walking that day aimlessly  
You picked the perfect day to bump into me  
(Perfect day)  
Probably should've watched the stars in the sky the night before  
(Hey)  
But for some reason we still met at your store  
You baby  
Your eyes have a story that they wish to tell  
And I have my whole life and I listen well  
Hey look, I'll be your confidant tell me anything  
But please start it off with how you tuck your wings, oh  
There's nothin' else that I have seen  
There's no getting around it or in between  
You're outta this world, except you're not green  
Look, you don't know what you mean to me, to me  
All my friends meet you and say you're the one  
(You're the one, you're the one)  
Hey and all my meaningless friendships should be done  
(I should just leave them alone)  
Baby, you had a friend but he did you wrong  
But I'm a God send saying that, "Please, please move on, with me"  
You taught me to use my heart and forget my eyes  
(Use my heart, forget my eyes)  
And that's the way to this kingdom of eternal life  
Since you're an angel, baby, your job's never done  
Too bad the world won't see you when they dial 9-1-1  
That's why  
There's nothin' else that I have seen  
There's no getting around it or in between  
You're outta this world, except you're not green  
Look, you don't know what you mean to me, to me  
There's nothin' else that I have seen  
There's no getting around it or in between  
You're outta this world, except you're not green  
Look, you don't know what you mean to me, to me  
There's nothin' else in this world  
(Nothin' else)  
Like you  
(Yeah)

So why's it so complicated?  
What are you afraid of?  
(Oh no)  
I've been asking everybody what would they think  
(Yeah, yeah)  
I don't know why because they don't know you  
(Oh no)  
I'm even asking other guys what would they say  
(Yeah, yeah)  
I don't know way because they don't do what I do  
(Oh no)  
Girls sayin', "Ultimatum's the way"  
(Oh yeah)  
But you'd probably take that just wrong  
(Oh no)  
Now I gotta decide if I'm a help raise your mind  
(Oh yeah, yeah)  
Seems like the ultimatum's on me, that's no fun  
I was just walking that day aimlessly
