Swindley's Maracas

Spooks

enemigos se rein en tu cara
swindley's maracas
enemigos se rein en tu cara
a siren song of beautiful sound
when swindley's maracas play they play to knock down
enemigos se rein en tu cara
double speak the language they use
morse code in their expression
hijacking truth with their deceptions to you
and if you're in a crew they'll try to divide you
gassing you with yeast in your ear
making it hard for you to really hear
what's going on
mi mama siempre me dice mija cuidado
ellos son mentirosos
y cuando esten hablando con tigo
oye con tus ojos y no con tu oidos
