## Wash

Take her phone and 'er ID  
Can't post me on IG  
Know them thots they be creep  
Tryna catch a selfie while I'm asleep  
Go to far you need a passport  
See 'em shots coming got a glass quart  
Thots try to camcorder  
That's a long shot I'm sure from headquarters  
Can't trust thots  
Soon as them bottles start coming out (thots) (hey girl!)  
Then she come running to my car (thots)  
She'll leave your ass never trust a big butt and a smile  
And you can't trust thots  
Soon as the liquor start running out (thots)  
She'll be creeping to another couch (thots)

She'll leave your ass never trust a big butt and a smile  
A that is a girl that look for bottles as soon as she come in  
the club (in the club)

You can find her at my table flirting with the ballers tryna go for a cup (for a cup)  
Crazy part shorty bad as fuck (fuck)  
Doing squats all day working on her butt (butt)  
She know that I'll make a nigga go nuts  
That's what she want  
She ain't tryna pay for anything if anything  
She tryna get a wedding ring  
But me and my niggas ain't no cuffing no nothing (nothing)  
And her favorite thing to hear a dude (say is)  
You might get a pair of nice shoes and a bag (hey girl!)  
Money ain't nothing baby I'll spend it fast on you (you)  
Baby I'll spend it fast on you  
That's when I found out that you can't trust thots  
Soon as them bottles start coming out (thots)  
Then she come running to my car (thots)  
She'll leave your ass never trust a big butt and a smile  
And you can't trust thots  
Soon as the liquor start running out (thots)  
She'll be creeping to another couch (thots)

She'll leave your ass never trust a big butt and a smile  
A that is a girl that look for sparkle as soon as she come in

She ain't tryna pay for anything if anything  
She tryna get a wedding ring  
But me and my niggas ain't no cuffing no nothing (nothing)  
And her favorite thing to hear a dude (say is)  
You might get a pair of nice shoes and a bag  
Money ain't nothing baby I'll spend it fast on you  
Baby I'll spend it fast on you That's when I found out that you can't trust thots  
Soon as them bottles start coming out (thots)
