

# Insecurity

## Therapy?

There I \_\_\_ my eyes  
I've been sleeping lights  
Focused on my negative  
Drinking every night  
Insecurity, insecurity I cannot burn all these days  
Everything I know hanging away  
Little anxiety  
They act like my friends  
I'm living  
I just bloom inside  
Thoughts of memories  
Insecurity, insecurity I cannot burn all these days  
Everything I know hanging away  
Instrumental I based my hope and value  
On all the wrong days  
But everything be little  
And nothing has a taste  
It hasn't changed in decays  
Excuses never left  
I woke up screaming  
With the devil on my chest  
Insecurity, insecurity  
Insecurity, insecurity I cannot burn all these days  
Everything I know hanging away
