

Wake Up Soon

The Beloved

David, ah, you shouldn't do that
And maybe, well as a matter of fact
Gotta have responsibilities
And try your very best to please
The wolves at your back Don't go telling me
That everything must have a reason
Because you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrong There's a whole world out there waiting for you
If you'll just stop dreaming
Wake up soon And now Jimmy, oh, come on
Listen to me good
Because life don't come so easy
Who told you that it would? Oh, so many people tell you what to do
And you believe them
That's the trouble with you
Just think for yourself And don't go telling me
That everything must have a reason
Because you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrong There's a whole world out there waiting for you
If you'll just stop dreaming
You better wake up soon
You better just stop dreaming No, don't go telling me
That everything must have a reason
Because you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrong Take your head out of the clouds
Find something to believe in
You gotta wake up soon, boy Well, pretty soon, pretty soon
You've gotta learn your right from wrong
Oh, every day, every night
Well, come on, learn to be strong Well, you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrong You better wake up soon
You better just stop dreaming So don't go telling me
That everything must have a reason
Because you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrong There's a whole world out there waiting for you
If you'll just stop dreaming
You better wake up soon
You better just stop dreaming No, don't go telling me
That everything must have a reason

Because you're wrong, 'cause you're wrong
'Cause you're wrong, wrong, wrongTake your head out of the clouds
Find something to believe in
Gotta wake up soon, boy
Wake up soon
Gotta wake up soon, boyYeah, wake up soon
Better wake up soon
Wake up, wake up
