

California

Hawk Nelson

I'm not falling for anymore of these tricks
I'm so tired of ever thing here
The sun is calling me to the west
Everyone's having fun out thereMy bags are packed as I'm looking out the window
Everything is so outdated here
I wanna move west to were the sun is shining
I want my friends to all be thereOh oh oh oh
Oh oh oh ohLet's pack up and move to California
She's got lots of friends out there
We'll never get bored 'cause we can go boardin'
Let's let the sunshine take us thereI am tired of taking it slow
So, tired but I'm not sleepin'
I'm wired, about to pick up my board
'Cause we're all headed out for the weekendLet's pack up and move to California
Hop on board before we get older
Raise you hands and shout for California
Come on, come on, come on, come onLets pack up and move to California
She's got lots of friends out there
We'll never get bored 'cause we can go boardin'
Lets let the sunshine take us thereCome on, come on, come on, come on
Oh oh oh oh oh oh oh ohLets pack up and move to California
She's got lots of friends out there
We'll never get bored 'cause we can go boardin'
Lets let the sunshine take us thereLets pack up and move to California
She's got lots of friends out there
We'll never get bored 'cause we can go boardin'
Lets let the sunshine take us thereLet's pack up and move to California
Hop on board before we get older
Raise you hands and shout for California
Come on, come on, come on, come on
