

# Misery

## The Beatles Tribute Band

Oh yeah  
Oh yeah  
So scared of breaking it that you won't let it bend  
And I wrote two hundred letters I will never send  
Sometimes these cuts are so much deeper then they seem  
You'd rather cover up, I'd rather let them be  
So let me be, and I'll set you free  
I am in misery  
There ain't nobody who can comfort me, oh yeah  
Why won't you answer me?  
The silence is slowly killing me, oh yeah  
Girl you really got me bad  
You really got me bad  
Now I'm gonna get you back  
I'm gonna get you back  
Your salty skin and how it mixes in with mine  
The way it feels to be completely intertwined  
Not that I didn't care, it's that I didn't know  
It's not what I didn't feel, it's what I didn't show  
So let me be, and I'll set you free  
I am in misery  
And there ain't nobody who can comfort me, oh yeah  
Why won't you answer me?  
The silence is slowly killing me, oh yeah  
Girl you really got me bad  
You really got me bad  
And now I'm gonna get you back  
Now I'm gonna get you back  
  
You say your faith is shaken, and you may be mistaken  
You keep me wide awake and waiting for the sun  
I'm desperate and confused, so far away from you  
I'm getting there, I don't care where I have to roam  
Why do you do what you do to me, yeah?  
Why won't you answer me, answer me yeah?  
Why do you do what you do to me yeah?  
Why won't you answer me, answer me yeah?  
I am in misery  
And there ain't nobody who can comfort me, oh yeah

Why won't you answer me?  
The silence is slowly killing me, oh yeah  
    Girl you really got me bad  
    You really got me bad  
And now I'm gonna get you back  
    I'm gonna get you back  
    Girl you really got me bad  
    You really got me bad  
And now I'm gonna get you back  
    I'm gonna get you back  
    Girl you really got me bad  
    You really got me bad  
And now I'm gonna get you back  
    I'm gonna get you back  
    Now I'm gonna get you back  
    I'm gonna get you back
