Beautiful

Mathew V

Don't tell me I'm perfect push my hair back cause I like that
Ohhhh
Don't tell me I'm pretty,pretty gorgeous just be honest
I can't feel like you're sure like I never felt before
Like the time stands still so don't try and make me feel that I am beautiful
I don't feel beautiful don't tell me that I'm handsome cause I won't hear it
Tell me something real cause I don't wanna feel
Why don't believe when you tell me that I am beautiful

My words are roses can't control them in the moment
Continue is hoping but I can't see how you want me
I won't scream I won't cry in my bed alone at night
Cause I don't need you to try and make me see that I am beautiful
I don't feel beautiful Don't tell that I'm handsome cause I won't hear it
Tell me something real cause I don't wanna feel
why don't believe when you tell me that I am beautiful
Don't feel beautiful ohhh no don't

And I don't feel beautiful I don't feel beautiful
Don't tell me that I'm handsome cause I won't hear it
