

# What'll I Do

Janet Jackson

What'll I do for satisfaction?  
Honey, you take care of me now  
If you leave I can't make it  
Darlin' please, don't you put me down 'Cause what'll I do for satisfaction?  
If you take away your heart  
'Cause what'll I do for satisfaction?  
When that funny, funny feeling's gone  
Oh, what'll I do? I can't take no more of missin' you  
I don't know just what I'm gonna do  
How can I love another?  
You don't know just what you mean to me 'Cause what'll I do for satisfaction?  
If you take away, away your heart  
What'll I do for satisfaction?  
When my nights start to gettin' long Boy, I love you  
Wanna hold you  
Love hey yea yea Your love's strong, that's no lie  
And I hate, I hate to put it down  
But if you, you leave me now  
You won't want, want me hangin' around 'Cause what'll I do for satisfaction?  
If you take away, away your heart  
What'll I do for satisfaction?  
When that funny, funny feeling's gone  
Oh, I need you now What'll I do baby?  
What'll I do baby?  
What'll I do baby?  
What'll I do baby?  
What'll I do babe?  
I said a naa naa naa Hey hey hey  
That's what I say  
Hey hey hey  
That's what I say Can you want me?  
What'll I do babe?  
Can you love me?  
What'll I do babe?  
I said a naa naa naa  
I said a naa naa naa  
I said a naa naa naa  
I said a naa naa naa
