The Life

Jon James

Verse 1:
Young and on a mission
Like Ray Charles having sex no fucking with the vision no
I see it so crystal clear
Me and my team taking over this year
Come roll with the winners bae
Cold with the flow like snow on a winters day
Don't wanna go home but it's getting late
I can be your vacay I know you need to get away
All up in your zone
Bottle after bottle staying up until the dawn
Bang bang bang like we're drumming to the song
Watch the sun in your thong do it all again tomorrow like

Chorus:
This is the life
This is the life
This is the life
I swear this is the life

This is the life
I swear this is the life
This is the life
This is the life

Verse 2:
Fuck a double pour a triple
Girl you're the type to make dimes look like nickels yeah
V.I.P. is what you need
I could pull a couple strings like a cello for you
I heard your ex is acting up again,
I heard your ex is acting up,
I told you girl never settle,
Tonight I'm a fuck you so good he'll be dead to you... widow
I got everything that you need girl,
Got the liquor, got the vibes, got the weed girl,
Wanna put you on my team for real,
Make you never wanna leave no,

Chorus:

This is the life
This is the life
This is the life
I swear this is the life

This is the life
I swear this is the life
This is the life
This is the life

Verse 3 (Rex):
I been looking for a long time
For somebody like you
Summer time, summer time,
Body like the summer time yeah,
Wine pon me gyal,
Wine pon me, wine pon me gyal,
Back it up, back it up, back it up, back it up,
Love the way you dance oh ya belly up

I got everything that you need girl,
Got the liquor, got the vibes, got the weed girl,
Wanna put you on my team for real,
Make you never wanna leave no,

Chorus:
This is the life
This is the life
This is the life
I swear this is the life

This is the life
I swear this is the life
This is the life
This is the life
