

# Mistake

## Serial Joe

Do you know how to find  
What youre looking for?  
Stuck in a maze of promises  
Dont know whats real or not Promise, you everything  
Ill never lie  
Do you even know what it is you want?  
So how can I even try? Its all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake Its all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake Dont know how it came to this  
Just try to figure out what to do  
How can he give you what you need  
You think that I cannot? Youre in a state of mind games  
This seems like a checkmate  
None of us will win  
Ad I dont think I can wait Its all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake [Unverified] Its all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake How long till you wake?  
How long till you wake?  
How long till you wake?  
How long till you wake?
