Sakeena

Outlandish

This aint a love song
This is a live songWoman, you my equal, my wife, we be tight like
Two perfectly matching calligraphy linesWe dont wanna build our house
Of earth, water and stone
But of wisdom, pure intentions, conversation
Compassionate action, with purity of heartWe might get somewhere, become light
Fast and burn like a candle, right
Intertwine, you give me peace of mind
I cloak you and you cloak meResponsible, I feel with honesty
Between us God has put affection and mercy
Praised be He who created you
'Cuz all I see in you is beautifulWoman, you my equal, my wife, we be tight like
Two perfectly matching calligraphy lines
What drew us together doesnt conform to the laws of nature
It is written, there is only one opener for the lock of these thingsAmor mo, te adora como a la ms
Bella estrella fugaz en el cielo
Y cuando me siento slo, s que t me entiendes
S que me comprendesSueo apoyarme en tu sonrisa
Toma mi mano y ven de prisa
Siempre me imagino Viejo y arrugado
Mis hijos ya crecidos mis nietos a mi ladoY la luz de luna a revelado
Que tu palpitar es por mi, que siempre a sido asi
He practicado que decir muchas veces
Y cuando Dios lo quiera estaremos frente a frenteSer el momento de embrujarte
Ojal que en tus ojos me retrates
Que aceptes mi pasado, que mis locuras yo no pague
Yo te prometere mi vida, aunque la muerte nos separeWoman, you my equal, my wife, we be tight like
Two perfectly matching calligraphy lines
What drew us together doesnt conform to the laws of nature
It is written, there is only one opener for the lock of these thingsMost definitely in our love are signs of knowledge
Every dime I spend on you
Is worth more than what I spend on the poor
See, patience is the best key to happinessContinuous, satisfaction
Pearls wanna be like you
Intertwine, you are my Sakeena
You protect me and I protect youScientifically we be deeper than Al-kindi
Between us God has put affection and mercy
This aint a love song

This is a life songWe going six years strong with no sign of regret
With each year we gain in force
With ups and downs of course
Yeah, my wife is my cousinAnd thank God, Faizan my son was born without complications
Hina, my love to you is unconditional
Not limited by typical Bollywood scenarios
Or by statistics when problems occur we leaveCause I know it, you'll stay till I no longer will breathe
Or if Im crippled, blinded or anything else
I know I can rely on you, helping my every step
Love is not just limited to butterflies and sexIts to recognize and respect each others intellects
Lots of regrets, many things we shouldnt have said and done
But thats just part of our journey and its just begun
Define beauty cause one day looks will fadeBut a beautiful mind still be young at an old age
And I know its hard me being away for so long
But I respect you so much for being so strong
I remember you being pregnant, going to schoolCooking food, taking care of my parents and the whole house
All in one, something a man could never do, no doubt
So I thank my mother for the day she brought us together
And I pray for our reunion in the afterlife foreverWoman, you my equal, my wife, we be tight like
Two perfectly matching calligraphy lines
What drew us together doesnt conform to the laws of nature
It is written, there is only one opener for the lock of these things
