I'm a Fool to Want You

Donald Byrd

I'm a fool to want you
I'm a fool to want you
To want a love, a love that can't be true
A love that's there for others too
I'm a fool to hold you
Such a fool to hold you
To seek a kiss not mine alone
To share a kiss that the devil has known
Time and time again I said I'd leave you
Time and time and time again I went away
But then would come the time when I would need you
And once again, yes once again these words I had to say
Take me back, take me back, I love you
Take me back, I want you
I know it's wrong, yes it must be wrong
But right or wrong I can't get along without you
Can't get along without you, without you
