

To Make You Love Me

Bo Kirkland & Ruth Davis

Hey, what do I do to make you love me?
(What do I do?) I can hold you close
Safe and warm against the dark and cold
I could keep any promise I make
I would show you more than words can say I could reach the moon and the stars
And bring them down to you wherever you are
I could fall down on my knees
I could pray that you belong to me, oh baby So what do I have to do to make you love me, baby
The way that I love you?
And what do I say to make you feel the way I feel for you?
(What do I say?) I'd give you the world if you would only be my girl
(Be my girl)
So what do I do to make you love me?
(What do I do?) I could kiss all of your tears away
And make the sun appear on a cloudy day
I could give you the faith to believe
If only you believed in me
(In me) What do I have to do to make you love me, baby?
(What do I do?)
The way that I love you
(Baby)
And what do I say to make you feel the way I feel for you?
(What do I say?) I'd give you the world
(Give you the world)
If you would only be my girl
(If you'd only be my girl)
So what do I do to make you love me?
(Oh baby, oh yeah) Oh, I, I can't go on living this way
(Can't go on)
Lovin' so strong, my heart aches
And why, why can't you see
(Why can't you see it?)
That baby, I'd do anything to make you love me What do I have to do to make you love me, baby?
(What do I do?)
The way that I love you
(Baby)
And what do I say to make you feel the way I feel for you?
(What do I say?) I'd give you the world
(Give you the world)

If you would only be my girl
(If you'd only be my girl) So what do I do to make you love me ?
(Oh baby, oh yeah)
So what do I do to make you love me?
